Tutorial 7 Access - 1. License Plate Recognition

License Plate Recognition allows users to view the **License Plate List**. You can **view** or **delete** added vehicles and **search** for vehicles by entering the **plate number**. To add a new license plate, click **Add Vehicle**.

Pengecaman Plat Nombor membolehkan pengguna melihat **Senarai Nombor Plat**. Anda boleh **melihat** atau **memadam** kenderaan yang ditambah serta **mencari** kenderaan dengan memasukkan **nombor plat**. Untuk menambah plat nombor baharu, klik **Add Vehicle**.

3. Defaulter

Defaulter shows the total **defaulter**, **defaulter threshold**, and a **list of defaulters**, with an option to set the threshold by clicking **Set Threshold**.

Laman ini memaparkan **jumlah keseluruhan defaulter**, **defaulter threshold**, dan **senarai defaulters**, dengan pilihan menetapkan threshold dengan mengklik pada **Set Threshold**.

4. Card

Access Cards grants access to the card list, displaying detailed information about each access card, including its current status. Users can also **view** specific card details or **remove** an access card as needed.

Laman ini memberikan akses kepada senarai kad yang memaparkan maklumat terperinci mengenai setiap kad akses termasuk statusnya. Pengguna juga boleh **melihat** butiran kad tertentu atau **menghapuskan** kad akses jika diperlukan.
