Resident Verification

The **Owners** section provides details about owner applications, including the **applicant's name**, the **requested unit**, the **submission date**, and the **application status**.

Bahagian **Pemilik** memaparkan butiran permohonan pemilik seperti **nama pemohon**, **unit yang diminta**, **tarikh penghantaran**, dan **status permohonan**.

This screenshot shows the Resident Verification interface for the 'Owners' section. The left sidebar includes a navigation menu with items like Dashboard, Resident Verification (which is selected), Visitor Approval, Vacant Possession, Defects, Maintenance, Facility, Access, Bug Report, Enquiry, Task, Survey, and Marketplace. The main content area displays a table of applications. The table has columns for Applicant Name, Requested Unit, Resident Type, Submitted at, Status, and Action. Two entries are listed: 'AIMAN ARES' (Requested Unit: A-2-2, Resident Type: Owner, Submitted at: 29 May 2024 12:32 PM, Status: Approved) and 'DEMO USER' (Requested Unit: A-2-2, Resident Type: Owner, Submitted at: 06 Feb 2024 12:15 PM, Status: Pending). A search bar labeled 'Search...' is positioned above the table. The top right corner shows the time (10:18:31 AM) and date (Tuesday, 26 November 2024), along with user information (Hello, Super Admin) and notification icons.

The **Tenants** section is similar to the **Owners** section. It provides details about tenant applications, including the **applicant's name**, the **requested unit**, the **submission date**, and the **application status**.

Bahagian **Penyewa** adalah sama seperti bahagian **Pemilik**. Laman ini memaparkan butiran permohonan penyewa seperti **nama pemohon**, **unit yang diminta**, **tarikh penghantaran**, dan **status permohonan**.

This screenshot shows the Resident Verification interface for the 'Tenants' section. The left sidebar is identical to the 'Owners' section. The main content area displays a table of applications. The table has columns for Applicant Name, Requested Unit, Resident Type, Submitted at, Status, and Action. Three entries are listed: 'AIMAN ARES' (Requested Unit: A-1-1, Resident Type: Tenant, Submitted at: 27 May 2024 06:30 PM, Status: Approved), 'MAS SHIO' (Requested Unit: A-1-2, Resident Type: Tenant, Submitted at: 23 Feb 2024 11:53 AM, Status: Rejected), and 'DEMO USER' (Requested Unit: A-1-1, Resident Type: Tenant, Submitted at: 01 Feb 2024 02:09 PM, Status: Approved). A search bar labeled 'Search...' is positioned above the table. The top right corner shows the time (10:18:35 AM) and date (Tuesday, 26 November 2024), along with user information (Hello, Super Admin) and notification icons.
